OUR INSTITUTIONS

Founded in Bordeaux in 1975, the Groupe INSEEC is now present in 7 major locations in Europe and in the United States. It is now an uncontested leader in the French Private Higher Education sector.

INSEEC: INSEEC Business School has become one of the major Graduate Business and Management Schools in France. It provides both generalist and specialist programs and enables students to obtain a Master, MSc/MBA or DBA degree. The group which emerged in the course of these 35 years has recently accelerated its growth and is now present in several major cities.

ECE: Founded in 1988, the Ecole de Commerce Européenne (ECE) is a 4 year Business School delivering a program in French and English including at least one semester at one of its academic partners and several internship periods abroad, providing its students with a thorough international and professional experience.

PARIS BUSINESS COLLEGE: Paris Business College is INSEEC’s Paris Undergraduate School of International Management. Its North-American Faculty and its study abroad period offered on its US campus in Chicago, makes it the French-American Business School of the Group. The School was founded in 1982.

SUP DE PUB: Launched 25 years ago by the renowned Advertising agency Havas Euro RSCG, Sup de Pub has been part of the Groupe INSEEC since 1995. With a Faculty mainly composed of practitioners form the communication sector, it trains its students to become operational professionnals in the Marketing, Communication and Advertising areas.

INTERNATIONAL UNIVERSITY OF MONACO (IUM): The International University of Monaco, a partner of INSEEC since 2010, offers undergraduate, graduate and postgraduate degrees in Business specialized in Finance, Luxury Management and International Business. Renowned for its academic excellence (its MBA is AMBA accredited), IUM has an international student population and is located in the heart of Monaco. One of the world’s leading business centers, it provides, beyond higher education programs, unique networking opportunities.

FOUR WEEK PROGRAM: JUNE 16th - JULY 11th
HAVE YOU EVER EXPERIENCED STUDYING IN EUROPE?

INSEEC Alpes-Savoie, located in the heart of the French Alps, provides you with an exceptional opportunity to combine both advanced quality academic learning and a memorable French cultural experience.

WHAT DO YOU KNOW ABOUT EUROPEAN BUSINESS? HOW IS EUROPE EVOLVING?

Our Summer School aims at developing the students’ knowledge in European Business Environment and an understanding of the major challenges of sustainable development and corporate responsibility.

Our 4-week program, all taught in English, allows you to earn 6 US credits or 12 ECTS credits and includes:

- A special focus on the issue of sustainable development and a strong insight into corporate responsibility (Sustainable Development, Global issues in Sustainable Marketing)
- Optional French tuition

A MEMORABLE SOCIAL AND CULTURAL EXPERIENCE

- Meet French students and share evening activities by our beautiful lake.
- Enjoy the pleasure of wine tasting at a local wine producer’s.
- Challenge your cooking talents and become a specialist in French cuisine with our special cooking class.

Extracurricular activities: sightseeing, weekend excursions proposals, evening activities focusing on French culture. All these activities will contribute to a unique cultural experience.

SPECIAL DAY TRIPS TO CLOSE DESTINATIONS

THE WORLD CAPITAL OF MOUNTAINEERING.

A cable car trip will take you up to the Brevent Summit to admire the highest summits in the Alps, offering spectacular views of the Swiss, French and Italian Alps.

THE MULTICULTURAL AND COSMOPOLITAN CITY.
